ColorPage-BR600

Portable Business Card Scanner

The ColorPage-BR600 is a business card scanner that features name card scanning, recognition and management. It is the world's smallest scanner and ideal for those who travel. Batch scanning - scan first, edit later - makes it a perfect tool for business people on the go and for collecting contact information at trade shows and conferences. Make the ColorPage-BR600 your name card manager and ask your sales representative how you can pick one of these up.
